Hello and Welcome!

Currently we are offering you a FREE 2-year PREMIUM Service Contract if you sign up for Automatic deliveries! *Your contract will start after your first cleaning. There is a charge for that.

Your FREE 2-year Premium Service Contract already is saving you over \$1400. IF your house has Air Conditioners, they are not included automatically. Those will be your choice to put a contract on them. Standard Contract comes to around \$443.00, and the 24/7 Premium is around \$683.00 per year, per unit. (tax is included in prices)

There are just 3 forms that we will need to be either mailed or faxed back to us to start.

1. New Account Application
2. Certificate of Residential Use (to verify that you “personally” are using this fuel and not selling to someone else)
3. And either, the Credit Card Authorization Form OR the EFT Payment Choice.

If you do not know the answer to ANY question, just leave it blank and we can always work together for an answer.

Many questions are found after the first visit anyway.

If you have any questions *AT ALL* or need any further assistance, please call our office at 631-653-5000, Monday through Friday, 8am-4pm. **Fax-631-653-8402

As always, we greatly appreciate your business.

Sincerely,

Margaret (Peggy) Mendenhall
